D11C03 52.211-9010 MILITARY SHIPPING LABEL (MSL)
REQUIREMENTS - MIL-STD-129P (MAR 2004) DLAD

D11F39 52.211-9G73 PACKAGING AND MARKING
REQUIREMENTS (JUL 2002) DSCR

(a) Unless stated otherwise, commercial packaging in accordance with ASTM-D-3951 is required for CONUS shipments from the contractor directly to the customer. Commercial packaging and marking is not sufficient for vendor shipments requiring movement through the Defense Transportation System (also referred to as the Military Distribution System or DLA Depot) as the shipment could ultimately be moved via Military Air.

(b) Higher level packaging in accordance with MIL-STD-2073 is mandatory for all shipments that meet the below criteria:

Movement through the Defense Transportation System including shipments to a Military Distribution facility or depot.

OCONUS shipments
FMS shipments
Hazardous material, as cited in the AID or in the Quality Requirements Matrix.

(c) Materials not considered as HAZMAT for CONUS or OCONUS commercial air shipments may be considered HAZMAT for MILAIR shipments OCONUS. As such, contractors/shippers shall ensure that material meeting HAZMAT definitions in DLAI 4145.3, Preparing Hazardous Materials for Military Air Shipment, is packaged in accordance with that instruction when the consignee is OCONUS and the shipment will be moved through the Defense Transportation System. DLAI 4145.3 is available on the internet at:
www.dscc.dla.mil/downloads/packaging/dlai4145_3.pdf.

(d) All items shall be marked in accordance with MIL-STD-129. Hazardous items and shelf life items, as cited in the AID or in the Quality Requirements Matrix, shall be marked in accordance with MIL-STD-129 and the appropriate clauses cited in the appendix to the matrix and the contract. The contractor is required to package material in accordance with Quantity Unit Pack (QUP), specified in MIL-STD-2073 and the Unit of Issue (UI), specified in each delivery order. A packing slip shall be located in a plastic pouch on the outside of the package. For HAZMAT destined OCONUS, a hard copy of the Material Safety Data Sheet (MSDS) must also be included.

(e) In the event of deployments, this clause may be invoked when shipments originally destined for a CONUS location are diverted to OCONUS destinations thereby necessitating movement of the material through the Defense

Transportation System. In such an event, contractors will be notified by the Contracting Officer and an equitable adjustment will be made in the contract price as deemed appropriate.

NOTE: Applicable to negotiated solicitations. Offers that do not comply with the packaging and marking requirements as specified in Section D of this solicitation may be subject to rejection as being technically unacceptable.

_____ (Vendor Fill-in)		DSCR NOTE:	
MATERIAL (If None, Insert 'None.')		DSCR has in place a process to mediate two types of contract disputes: (1) contract claims filed pursuant to the Contract Disputes Act of 1978, as amended, 41 U.S.C. 601-613, (CDA), prior to issuance of a final decision by the contracting officer, that arise as a result of either a contractor or government claim, except for proposed Terminations for Default, and (2) other contract disputes, resulting from an issue in controversy, that the contracting officer determines suitable for mediation. Mediation involves a neutral, called a mediator, who assists both parties as they try to resolve their dispute voluntarily and produce a solution that is acceptable and beneficial to both. After unassisted negotiations over an issue in controversy have proven ineffective in either situation, the contracting officer will contact the contractor seeking to resolve the dispute through mediation. In either situation, a contractor's decision not to engage in mediation shall be conveyed in writing to the contracting officer.	
_____ (Vendor Fill-in)		Mediation undertaken pursuant to this process does not waive the statutory time limitations of the CDA, within which a contracting officer must issue a final decision on a claim filed pursuant to the CDA, as expressed in FAR Clause 52.233-1, Disputes, paragraph (e). If mediation is unsuccessful, the parties retain their existing rights under the CDA. (99140)
