Help!

Please see attached letter from the Contractor.....He did a Novation Agreement (signed back on 22 Nov 2002) and updated the CCR (which I checked and it does have the correct name) but, Order SPM760-03-P-7616 came out with the incorrect name...Does the CCR talk to PD2 for updates? If not, what do I do? Can you check and see if there are other Orders out there with the wrong name? Since I cannot issue a mod to change the Name, I need to cancel all that is out there!

Hello Susan.

The Government recognizes a transfer of assets that occurred between Colts Manufacturing Company and Colt Defense LLC, and a Novation Agreement was signed November 22, 2002. Also, the contractor's updated CCR information for CAGE 13629 may be viewed at the following URL:

<https://www.ccr.dlis.dla.mil/ccr/scripts/index.html>

I noticed that the subject order was awarded to "Colts Manufacturing Company". Please make sure DSCC's database is corrected to reflect the current entity for any future awards.
